Dear Potential Affiliate,

The Douglas County Association of REALTORS® would like to thank you for considering becoming an Affiliate Member and supporting the values we stand for—homeownership, private property rights, community involvement, and strong advocacy for our local real estate industry.

We are excited about the year ahead and would love for you to be a part of it. Affiliate membership offers more than just connection—it provides meaningful opportunities to build relationships, grow your business, and gain exposure within our local real estate community.

As an Affiliate, you will receive immediate visibility to our membership by being featured on our trusted vendor list, which is distributed to all new agents as they join, as well as shared with our existing members. This positions your business directly in front of REALTORS® who are actively building their networks and looking for reliable, go-to professionals to recommend to their clients.

This is a valuable opportunity to stay top-of-mind, generate referrals, and establish long-term connections within Douglas County's real estate community. Please see the attached list of Affiliate Membership benefits for a full overview of everything included with your membership.

We believe this will be a fantastic year for our association and would truly value having you join us as an Affiliate Member.

If your company already belongs to another Association within the state, or if your business is not primarily real estate, you may still join as a Local Affiliate for only \$250 per year.

We appreciate your consideration and look forward to the opportunity to work together.

Sincerely,

Dianne Halbert
